The high school staff will have stations set up at orientation where all necessary paper work and fees can be taken care of before our first day of school. A detailed letter regarding each session will be sent to each household. All students are required to attend their orientation session on September 2nd or 3rd in order to get their schedules. On behalf of the Airport Community Schools Board of Education and administration, I would like to welcome you to the 2009-2010 school year. This year promises to be an exciting one, filled with improved programs, initiatives and hopes for enriching the lives of our children. The vision for Airport Community Schools that was established last year sets a standard of excellence for education. Our vision statement will be a focal point for conversations and decision making this year. The heightened focus on the use of data in driving our decisions relating to student learning and budget decisions will help ensure our resources are used in the most efficient manner possible. We expect student outcomes will improve with staff development, support by building leadership, and clear expectations for all staff.

Education is about igniting the passion within our students to become lifelong learners. Through the enriched experiences we strive to provide, our young adults will have the knowledge and life skills to succeed in our diverse and complex world upon graduation.

I want to confirm with you the importance of your involvement in your children's education. Our home-school partnership is critical to the success of your children. I urge you to attend school functions, communicate with your children's teachers, and talk to your children daily. Together, we can encourage our children to advance to their greatest potentials.

Our floors are shiny, our classrooms are decorated, and our staff and I are eager to meet your children for another wonderful school year.

Sincerely,  
*Henry Schaffer, Superintendent*

An open and ongoing dialogue exists between administration, teachers, parents, community, and students. The community promotes and values the school district's success.

Airport High School was very proud to have Jennifer Liedel represent them at the Michigan Youth Leadership Conference in Lansing from May 15-17, 2009. ## AIRPORT HIGH SCHOOL BOOK CLUB

The Book Club finished the 2008-2009 school year with a bang. A celebration was held during May in the library where students enjoyed companionship and yummy food. Later in the month students painted the spirit rock (and their hands) and a good time was had by all. Finally, a few members of the group visited the Carleton Cooperative Senior Adult Living Center in June and assisted with gardening needs. Many weeds were pulled; friends were made, and everyone got a few mosquito bites!

The Book Club helps Joanne from the Carleton Co-Op with some yard work.

## WHEN TO EXPECT YOUR *Jet Gazette* NEWSLETTER

The district's *Jet Gazette* newsletter will be published eight times during the 2009-2010 school year, beginning with the August-September issue. Issues will also be distributed in October, November, December, February, March, May, and June. The newsletter is mailed to every home and business in the 110 square mile area of the school district, the first week of the month. Bulk mailing is the most inexpensive way to distribute this publication, as the mailing is 'saturating' the community by postal routes. Some families in other districts, but on the fringe of Airport boundaries, may receive our newsletter. If your newsletter is addressed "Postal Customer" we cannot remove you from our mailing list. We include some community news, and we hope you find our newsletters informative. Our circulation is approximately 10,000 copies. In order for the district to retain our bulk mailing permit for delivery, we are not permitted to accept paid advertising.

If you, or someone you know, are experiencing delivery problems with the newsletters, please contact Gayle Lambrix 654-2414 or Kim Weeg 654-4058.

**STUDENT
